

DAILY WINTER TO DO SAFETY LIST

- ❄️ Insure adequate supply and access to salt for application on sidewalks, steps, and other exterior surfaces.
- ❄️ Provide and maintain floor mats on interior areas at all entrance doorways.
- ❄️ Make sure wet spots from melting snow tracked inside are promptly cleaned up.
- ❄️ Make sure all snow removal tools and equipment are in good working order.
- ❄️ Maintain all exterior areas free of snow and ice, such as:
 - Sidewalks
 - Ramps
 - Steps
 - Loading Docks
 - Parking Lots
 - Dumpster Areas
- ❄️ Allow employees who travel extra time to get to appointments.
- ❄️ Encourage frequent breaks for employees who are doing snow and ice clearing.
- ❄️ Ensure all employees who are working outside are properly dressed and wearing footwear with a good traction for working in snow and ice.

Rockwood Casualty Insurance Company (Rockwood) may provide safety management services to its insureds in order to reduce the risk of loss that may lead to insurance claims. The information and advice we provide is not intended to include all possible safety measures and controls. Rockwood does not warrant that losses and claims will be avoided or mitigated if our recommendations are followed. The safety management services we provide do not relieve the insured of its own duties and obligations with regard to safety matters, nor does Rockwood guarantee to the insured or others that the insured's property and/or operations are safe, healthful, or in compliance with applicable laws, regulations or standards. The insured remains responsible for its own operations, safety practices and procedures and should consult with legal counsel and safety professionals, of its own choosing, as it deems appropriate.
