

Argo Pro launches enhanced line of products and four new Errors & Omissions forms

JERSEY CITY, N.J. – March 16, 2017 – Argo Pro, a member of Argo Group International Holdings, Ltd. (NASDAQ: AGII), an international underwriter of specialty insurance and reinsurance products, today announced the launch of the company’s new Argo PROtect line of products and enhanced Errors & Omissions (E&O) forms to offer expanded business opportunities for brokers.

“The new forms are the result of Argo Pro listening carefully to clients, addressing unique challenges, scouring the industry landscape and finding practical solutions to help clients gain a competitive edge,” said Craig Landi, president of Argo Pro. “I am proud of the Argo Pro team’s collaborative efforts toward becoming product innovators and industry leaders in 2017.”

Argo’s new PROtect forms are another example of the company’s ongoing efforts to provide industry-leading coverage. The following E&O PROtect forms are currently available:

- [Accountants PROtect](#)
- [Architects & Engineers PROtect](#)
- [Lawyers PROtect](#)
- [Miscellaneous PROtect](#)

This news comes a month after Argo Pro announced the creation of the new Directors and Officers Excess Side A Difference in Conditions (DIC) PROtect policy form, which continues to be admitted in a growing number of states. Next month, Cyber Tech PROtect and Asset Management forms are slated to launch.

“We are already receiving positive feedback, and I am confident all our forms will help provide effective solutions and meet the needs of a wide range of professionals,” Landi said.

While only a few other companies have defined cyber liability coverage in their forms, all Argo PROtect forms will expressly define cyber liability coverage – leaving no doubt it’s included. Addressing some of the most common client concerns, the forms will also provide more streamlined, clear and consistent language throughout.
